Gidado Balangoggo Mukhtar

has successfully completed the online, non-credit Specialization

Exam Prep: Google Cloud Certified Associate Cloud Engineer

Congratulations! By completing the Exam Prep: Google Cloud Certified Associate Cloud Engineer Specialization, you have demonstrated your mastery in designing and orchestrating complex, secure, and highly available solutions on the Google Cloud platform. This achievement validates your advanced expertise in architecting, deploying, and managing sophisticated cloud environments using a wide array of GCP services and best practices. By earning this course completion, you have positioned yourself as a highly skilled and capable Associate Cloud Engineer

Krishna Srinivasan
Co-Founder & CEO

The online specialization named in this certificate may draw on material from courses taught on-campus, but the included courses are not equivalent to on-campus courses. Participation in this online specialization does not constitute enrollment at this university. This certificate does not confer a University grade, course credit or degree, and it does not verify the identity of the learner.
